Highlights

Control iPod
With the in-line control, you can easily turn the volume up/down, jump to the previous/next track, fast forward/rewind, play and pause your iPod. It allows single-handed operation and guarantees a unique user experience.

Anti-pull design
Thanks to its unique design no matter what activities you participate in, these headphones will remain securely and comfortably inside your ears. When the cable is pulled they grip tighter.

1.2 metre cable
The ideal cable length to give you the freedom to put your audio device where you want.

Ultra small efficient driver
This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.

Passive noise isolation
The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favourite music. This means you still enjoy the headphones' superb sound quality at lower volume settings and also benefit from a longer battery life.

Turbo Bass
The unique bass wave design "turbo-charges" the low tones by directing them towards your ears. The result is a fantastically realistic and more involved experience.

Flexible rubber ear hooks
The rubber ear hooks provide a non-slip grip for an extra secure and comfortable fit, ensuring that the headphones remain in place for hours of comfort. Ideal for active use.

For optimal fit in all ears
With a choice of 3 interchangeable ear caps from size small to large, surely there is a pair that fits your ear perfectly.
